

Border Crossing details:

READ AND OBEY TO AVOID LONG DELAYS

1. **BORDER INTERVIEW:** We will cross as individual cars, not as a group. Each car needs documents for all individuals. Driver should have them out and ready. You will be asked the purpose of visit and length of stay: SAY >>>

**ATTENDING A CHURCH YOUTH MTG ETC.**

WE WILL BE STAYING ONE WEEK AND RETURNING FOLLOWING SATURDAY. WE WILL BE STAYING WITH FRIENDS IN LA BEAUCE.

**\*\*\* DO NOT SAY THE FOLLOWING WORDS. THEY HAVE A LEGAL DEFINITION THAT DOES NOT FIT OUR ACTIVITIES.**

WORK SCHOOL CHILDREN'S PROGRAM

**IF YOU SAY THE ABOVE WORDS, YOU WILL HAVE A LONG TALK** with THE CUSTOMS AGENT TO TRY TO UNSAY THEM. We are not legally working because we are not receiving any payment for our services. The word "children" brings up the idea of "nanny" which is a common way that immigrants work illegally. We are not nannies!

Two individuals have had problems entering CA for this very mistake. It is a huge headache and hours of work to clear up, and may cause suspicion to fall on our host church. So avoid troubles, tell the truth, and sail through as the tourist that you truly are. Pastor Westerveld has personally interviewed with Canadian immigration authorities about our activities and they are perfectly legal. However, the decision lays on the individual border guard that is examining you at the moment. So DON'T say the things above or you may open up many problems for your group.

We will have a letter of invitation from our hosts that seems to reassure the border officials, one for each car.

3. **Return Crossing in USA:** Your documents proving US citizenship will be scrutinized. It is important to have documents out to cross back into the U.S. During the VBS week, Olivia can hold all documents for minors in a safe place so they will not be lost. On the return trip each car will receive their own documents back; please do not switch cars until after the border crossing
