

## Last minute checklist Team 2024 ENGLISH FOR KIDS

Everyone needs:

- Use the packing list on the team website; minimize packing to an airplane overhead bin sized luggage, water bottle with your name on it, pillow, plus a purse or bag that you keep with you in the car.
- Bedding according to the list on the team page; most people need none.
- Send your financial contribution unless your church does that to you [see money details on the website]
- Save any receipts as directed on the Money details link. You can bring them to give to Olivia or photo and email them.
- Any special items you are named to bring **on the TEAM WEBSITE List of Stuff page** for your assigned job.

Check the list at the last minute! I update it often! I will post "Final" at the top when it is done.

### DOCUMENTS TO BRING WITH YOU

- US drivers need to have the letter of introduction from St. Georges church and all relevant Border Id in one envelope in your car before leaving.
