

Greens Party 2024

Saturday, December 7, 8:30.-11:30 am. (drop in anytime)

Covenant Presbyterian Church

249 Airport Road, Barre VT.

***Make a centerpiece or wreath for Christmas time –
for yourself or someone else!***

Bring: **Either** a basket OR bowl that holds water (for a holiday centerpiece) **or** a wreath form (for a wreath) + any specific decorating item that you want to include in your creation (we already have an abundance of ribbon & decorations on hand for all to choose from)

We will have fresh greens on hand and decoration supplies. We will mix and match to put together greens for the church and for our homes. Children love this activity and they can each make their own creation.

Free advice on floral arranging! **Invite a friend**; each one should bring their own container or wreath form. Please let **Olivia know by Sunday, December 1, in order to plan enough supplies.**
