1 What a fellowship, what a joy divine, leaning on the everlasting arms;
what a blessedness, what a peace is mine, leaning on the everlasting arms.

Refrain: Leaning, leaning, safe and secure from all alarms;
leaning, leaning, leaning on the everlasting arms.

2 Oh, how sweet to walk in this pilgrim way, leaning on the everlasting arms;
oh, how bright the path grows from day to day, leaning on the everlasting arms.

And Can It Be
455 *Trinity Hymnal* (verses 1-3 & 4-5)

1 And can it be that I should gain an int'rest in the Savior's blood?
Died he for me, who caused his pain? For me, who him to death pursued?
Amazing love! How can it be that thou, my God, shouldst die for me?

Refrain: Amazing love! How can it be
that thou, my God, shouldst die for me?

3 He left his Father's throne above (so free, so infinite his grace!),
humbled himself (so great his love!) and bled for all his chosen race!
'Tis mercy all, immense and free, for, O my God, it found out me! [Refrain]

4 Long my imprisoned spirit lay fast bound in sin and nature's night;
thine eye diffused a quick'ning ray; I woke, the dungeon flamed with light;
my chains fell off, my heart was free; I rose, went forth, and followed thee.
[Refrain]

5 No condemnation now I dread; Jesus, and all in him, is mine!
Alive in him, my living Head, and clothed in righteousness divine,
bold I approach th'eternal throne, and claim the crown, through Christ, my own.
[Refrain] **

* Benediction
