

New England Reformed Singles Retreat

Swanzey NH

Registration is open for our weekend singles retreat this summer, August 1-3, in Swanzey, NH! The purpose of this retreat is to promote friendship and fellowship between Reformed Christian singles in our region. This retreat is for Reformed Christian singles who are living in New England; between the ages of 18-35 years old; and either members or regular attendees of a Bible-believing church. The retreat will begin around 5pm Friday, Aug 1st, and end around 2pm Sunday, Aug 3rd. There will be separate housing for men and women. The weekend will contain home cooked meals, board and card games, Bible reading and shared devotions, structured group activities, free time, time outdoors, church on Sunday, and more!

Please share this with the singles at your church! Currently, there are 8 spots for men and 9 for women, so register ASAP to ensure your spot! Single beds will be assigned to those requesting them on a first-come first-served basis (another reason to sign up fast!).
