CENTRAL VERMONT PREGNANCY SERVICES
BABY BOTTLE FUNDRAISER

Central Vermont Pregnancy Services has begun its annual Baby Bottle Fundraiser.! You can partner with CVPS in supporting life by taking a baby bottle home and filling it with loose change, dollar bills, or a check. The bottles are in the foyer on the corner table. *Please return your filled bottle to the church by March 15th.*

In 2025, our center served 61 clients and performed 42 ultrasounds, the most ultrasounds completed in our 33 year history. The need in our community continues to grow! As part of this growth, we are currently raising funds to send our newest nurse to NIFLA's ultrasound training this April, equipping her to provide high quality, compassionate medical care to the women we serve.

CVPS exists to support women and men facing unplanned pregnancies by providing pregnancy confirmation, life affirming counseling, and practical material support. You can learn more by watching the promotional video. or by visiting cvpregnancyservices.org.

Thank you for standing with families in our community during some of their most vulnerable moments.
